Street Tree Removal Notice

7th March 2025

Following a recent inspection this tree has been recommended for removal on health and safety grounds.

This tree is exempt from consultation on the bases it is dead or significantly affected by Ash Dieback disease.

In accordance with North Northamptonshire Council's Tree Policy a replacement tree will be planted for every tree removed. However, it may not always be possible or appropriate for the new tree to be planted within the same area.

The Tree Policy can be viewed at:
